

Appendix C-- Cumulative Effects

Past, Ongoing and Reasonably Foreseeable Activities

Past

Timber harvest

Road construction

Highway 26 Reconstruction

Ongoing

Road use and maintenance

Placer mining claims

Special Use Permits – includes powerlines, spring developments, and irrigation ditches

Firewood cutting, mushroom collecting, horn collecting

Livestock management

Noxious weed control (through mechanical means)

Recreation use

Routine inventories, surveys, and monitoring

Reasonably Foreseeable Projects*

Blue Vegetation Management

Blue Roads Management

Blue Large Wood Placement

Blue Riparian Hardwood Planting

Blue Aspen Restoration

Crawford Vegetation Management**

*These projects do not have NEPA completed, but are expected to be analyzed and implemented within the next 1-5 years.

**Crawford is outside the 3 subwatersheds being worked in for this EA; however, aquatic resources looks at a larger cumulative effects area which would include this project.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status (not all prohibited basis apply to all programs). Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's Target Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil rights, Room 326W, Whitten Building, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call (202) 720-5964 (voice or TDD). USDA is an equal opportunity provider and employer.
